Voices of the Village highlights the talent, individuality, and joy of people with developmental and other disabilities. The interactive performance ensemble inspires audiences through out Northwest Washington and beyond.

Join us! Our mission is to provide interactive music and arts opportunities for people of all abilities. (Youth are welcome to join or volunteer at Friday Music with parent permission.)

Search for "Voices of the Village"

Village Music & Arts is funded, in part, by the Washington State Arts Commission/National Endowment for the Arts & the generosity of people like you!

Village Community Services' Mission

Guided by values of respect and integrity, Village Community Services supports adults having disabilities and other life challenges in achieving personal potential at home, work, and in community life.

Village Community Services' programs are Residential Services, Career Planning and Placement Services, Manufacturing Support Services, and Village Music and Arts.

Village Community Services' Vision...

LINK people with community to nurture dignity and mutual respect.

FACILITATE informed participant and family choices.

SUPPORT individuals with disabilities to live and work independently.

ADVOCATE for rights and responsibilities that are consistent with all citizens in the community.
